

SAN FRANCISCO BAY AREA RAPID TRANSIT DISTRICT

POLICE DEPARTMENT

INTEROFFICE MEMORANDUM

Date: July 14, 2025

To: BART Police Civilian Review Board (BPCRB)

From: Kevin Franklin, Chief of Police *KF CF*

Subject: Lexipol Manual Updates

The BART Police Department utilizes the Lexipol System for the foundation of its policy manual. Lexipol provides fully developed policies written by public safety professions and vetted by public safety attorneys. All policies are based on state and federal laws and regulations while also incorporating nationwide standards and best practices. Several times a year, Lexipol releases updates for their policies based on changes to state and federal laws and regulations. Many of these updates are required to be accepted by agencies who utilize Lexipol to bring their policies into legal compliance.

Over the past few years, the BART Police Department has reviewed our policies to ensure we are following all legal updates as well as the standards established by the Commission of Accreditation for Law Enforcement Agencies (CALEA). We have also reviewed recommended best practices to see if they are applicable to our Department's work processes, so we can incorporate them into our policies.

Below are the policies which have been updated since the last memorandum issued June 11, 2025:

Policy 308 Control Devices and Techniques

Policy 309 Conducted Energy Device

Policy 343 Information Technology Use

Policy 402 Bias-Based Policing

Policy 803 Evidence Handling

Policy 1000 Recruitment and Selection

Policy 1055 Speech, Expression and Social Networking

I welcome any comments or feedback on any of the updated policies and look forward to working with you.
