

Public Alerts

334.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for alerting the public to important information and soliciting public aid when appropriate.

334.2 POLICY

Public alerts may be employed using the Emergency Alert System (EAS), local radio, television and press organizations and other groups to notify the public of incidents, or enlist the aid of the public, when the exchange of information may enhance the safety of the community. Various types of alerts may be available based upon each situation and the alert system's individual criteria.

334.3 RESPONSIBILITIES

334.3.1 MEMBER RESPONSIBILITIES

Members of the Bay Area Rapid Transit Police Department should notify their supervisor, Watch Commander, or Criminal Investigations Division Supervisor as soon as practicable upon learning of a situation where public notification, a warning, or enlisting the help of the media and public could assist in locating a missing person, apprehending a dangerous person, or gathering information.

334.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor apprised of the need for a public alert is responsible to make the appropriate notifications based upon the circumstances of each situation. The supervisor shall promptly notify the Chief of Police, the appropriate Division Commander and the Media Relations when any public alert is generated.

The supervisor in charge of the investigation to which the alert relates is responsible for the following:

- (a) Updating alerts
- (b) Canceling alerts
- (c) Ensuring all appropriate reports are completed
- (d) Preparing an after-action evaluation of the investigation to be forwarded to the Division Commander

334.4 AMBER ALERTS

The AMBER Alert™ Program is a voluntary partnership between law enforcement agencies, broadcasters, transportation agencies and the wireless industry, to activate urgent bulletins in child abduction cases.

334.4.1 CRITERIA FOR AMBER ALERT

The following conditions must be met before activating an AMBER Alert (Government Code § 8594(a)):

- (b) The victim is 17 years of age or younger, or has a proven mental or physical disability.
- (c) The victim is in imminent danger of serious injury or death.
- (d) There is information available that, if provided to the public, could assist in the child's safe recovery.

334.4.2 PROCEDURE FOR AMBER ALERT

The supervisor in charge will ensure the following:

- (a) An initial press release is prepared that includes all available information that might aid in locating the child:
 - 1. The child's identity, age and description
 - 2. Photograph if available
 - 3. The suspect's identity, age and description, if known
 - 4. Pertinent vehicle description
 - 5. Detail regarding location of incident, direction of travel, potential destinations, if known
 - 6. Name and telephone number of the Media Relations or other authorized individual to handle media liaison
 - 7. A telephone number for the public to call with leads or information
- (b) The local California Highway Patrol communications center should be contacted to initiate a multi-regional or statewide EAS broadcast, following any policies and procedures developed by CHP (Government Code § 8594).
- (c) The press release information is forwarded to the Sheriff's Department Emergency Communications Bureau so that general broadcasts can be made to local law enforcement agencies.
- (d) Information regarding the missing person should be entered into the California Law Enforcement Telecommunication System (CLETS).
- (e) Information regarding the missing person should be entered into the California Department of Justice Missing and Unidentified Persons System (MUPS)/National Crime Information Center (NCIC).
- (f) The following resources should be considered as circumstances dictate:
 - 1. The local FBI office
 - 2. National Center for Missing and Exploited Children (NCMEC)

334.5 BLUE ALERTS

Blue Alerts may be issued when an officer is killed, injured or assaulted and the suspect may pose a threat to the public or other law enforcement personnel.

334.6.1 CRITERIA FOR SILVER ALERTS

All of the following conditions must be met before activating a Silver Alert (Government Code § 8594.10):

- (a) The missing person is 65 years of age or older, developmentally disabled or cognitively impaired.
- (b) The department has utilized all available local resources.
- (c) The investigating officer or supervisor has determined that the person is missing under unexplained or suspicious circumstances.
- (d) The investigating officer or supervisor believes that the person is in danger because of age, health, mental or physical disability, environment or weather conditions, that the person is in the company of a potentially dangerous person, or that there are other factors indicating that the person may be in peril.
- (e) There is information available that, if disseminated to the public, could assist in the safe recovery of the missing person.

334.6.2 PROCEDURE FOR SILVER ALERT

Requests for a Silver Alert shall be made through the California Highway Patrol (Government Code § 8594.10).

334.7 MUTUAL AID

The experiences of other law enforcement jurisdictions that have implemented similar plans indicate a public alert will generate a high volume of telephone calls to the handling agency.

The Sheriff's Department emergency communications facilities and staff can be made available in the event of a high call volume.

If the Watch Commander or Criminal Investigations Division Supervisor elects to use the services of the Sheriff's Department, the following will apply:

- (a) Notify the Sheriff's Department Watch Commander of the incident and the request for assistance. The Watch Commander will provide a telephone number for the public to call.
- (b) In the press release, direct the public to the telephone number provided by the Sheriff's Department Watch Commander.
- (c) The Media Relations will continue to handle all press releases and media inquiries. Any press inquiries received by the Sheriff's Department will be referred back to this department.

The Bay Area Rapid Transit Police Department shall assign a minimum of two detectives/officers to respond to the Sheriff's Department emergency communications facility to screen and relay information and any clues received from incoming calls. As circumstances dictate, more staff resources from the handling law enforcement agency may be necessary to assist the staff at the emergency communications facility.
