# OIPA Presentation to the Transit Security Advisory Committee (TSAC) Meeting

# Introduction

- This presentation is in response to the TSAC Chair's request regarding **TSAC's Draft Strategic Plan**

- **Objective 2.2:**

"Receive an annual report from the BART Police Auditor regarding force used during issuance of prohibition orders within the past year."

# Data Context

- ▶ OIPA does **not** collect data specifically on prohibition orders
- ▶ However, in alignment with the request, we are sharing available data related to **police complaints involving use of force**

# 2024 Complaint Data

- **117** total complaints received
  - **28** directly received by OIPA
- **59** complaints included at least one allegation of use of force
- **0** use of force complaints stemmed from enforcement of Prohibition Orders
