

SAN FRANCISCO BAY AREA RAPID TRANSIT DISTRICT

MEMORANDUM

TO: Board of Directors

DATE: October 2, 2025

FROM: Interim District Secretary

SUBJECT: Special Appointments: Liaisons to San Mateo County Stations

President Foley announced at the September 11, 2025 BART Board of Directors meeting that he is re-establishing Liaison Appointments for San Mateo County Stations. These appointments would bring back the program for Directors to adopt a San Mateo County BART Station, as San Mateo County residents are not represented by an elected BART Board member. The program was previously in effect from May 13, 2010 through December, 2016. These appointments would serve as a point of contact between constituents of San Mateo County and the District.

Board Rule 3-3.3 on Committee Membership states the following:

Any appointment by the President of any Committee or liaison member or Committee Chairperson or Vice Chairperson of any Committee shall be ratified by a majority vote of all members of the Board. Such appointments shall be submitted directly to the Board for ratification.

In accordance with Board Rule 3-3.3, President Foley is bringing the appointments before the Board of Directors for your consideration and ratification on October 9, 2025. An updated Committee listing with the recommendations is also attached.

Should you have any questions, please contact President Foley. Thank you.
