Policy 900 Temporary Custody of Adults

October 2025

This policy has been updated because legislative action impacts its content. The update should be accepted and implemented as soon as possible. 2025 CA AB 1269 enacted Wakiesha's Law which requires a county or city jail to notify all people covered by the medical release of information and next of kin forms of a person in custody within 24 hours of the death of a person incarcerated in a county or city jail. Changes include:

- In **SUICIDE ATTEMPT, DEATH, OR SERIOUS INJURY**, content has been updated to address the new requirements.

The fingerprints, along with other relevant information, must be submitted to the California Department of Justice. Changes to this policy include:
