Briefly explain your interest in serving on the BPCRB:

I strongly believe that I am fair minded and objective, bringing decades of varied community service and being a BART customer since 1987. Former Director Congresswoman Lateefah Simon encouraged me to get involved. As a fluent multilingual African American man, I believe that can make a valuable contribution.

What qualifications/assets do you have that make you a strong candidate for service on the BPCRB? Please feel free to attach a resume or an additional page.

At least 5 days a week I observe both BART Police and primarily SFPD at work during my journeys between North Berkeley station SFO station. Besides gaining a more nuanced perspective from 3 retired Southern California police officer cousins, I have had the opportunity to work closely with SFO based SFPD officers in various training exercises. These experiences have increased my pre-existing respect for Police Officers gained from my grandfather who served decades as an LAPD detective. Since earning my UC Berkeley BA '94 and interacting with varied Bay PD's, I hope to be fair minded reviewer.
