District Base Pay Schedule

PURPOSE:

To approve the current base pay schedule in a form prescribed by the California Public Employees' Retirement System (CalPERS).

DISCUSSION:

The San Francisco Bay Area Rapid Transit District (BART) contracts with CalPERS for employee retirement benefits. CalPERS' rules control whether compensation qualifies as reportable to CalPERS for purposes of retirement calculations. For base compensation to be reportable for the purposes of retirement calculations, CalPERS requires that the District's pay schedules be formally approved by the Board, including each position title and pay rate, and that they be publicly available (e.g., BART's website).

Attachment A is the current base pay schedule, which reflects the effective dated salaries for each classification. It is important to note that this table does not make changes to compensation for any District employee. It reflects negotiated salary changes with each union already approved by this Board through its ratification of the Collective Bargaining Agreements (CBAs). The pay for Board-Appointed Officers has been approved by the Board. Additionally, pay bands for non-represented employees have been approved with the adoption of the annual budget and/or notice has been provided by the General Manager to the Board.

Staff requests that the Board approve the attached base pay schedule.

FISCAL IMPACT:

There is no fiscal impact to BART for this proposed action.

ALTERNATIVES:

To not approve the base pay schedules. However, failure to do so may result in CalPERS' disqualification of pay as "compensation earnable" for reporting and determination of BART employees' retirement benefits.

RECOMMENDATION:

Approve the following motion.

MOTION:

The Board approves the current base pay schedule, effective July 1, 2025.
