

SAN FRANCISCO BAY AREA RAPID TRANSIT DISTRICT

MEMORANDUM

TO: Board of Directors

DATE: February 7, 2020

FROM: Michael Jones, Deputy General Manager

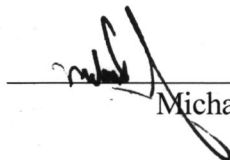

SUBJECT: BART Board 2020 Workshop

The annual BART Board Workshop will be held on February 13th and 14th at the Auditorium in the Metro Building, 101 8th Street in Oakland. This location is across the street from the Lake Merritt BART Station. This event offers an opportunity for more extensive conversation among Board members, and between the Board and staff on the most important topics for the new year.

I wanted to take this opportunity to summarize some of the key topics planned for this year's agenda. There will be a focus on BART's financial outlook, improving the Customer Experience, including BART Police Department's Vision for Safety, an Operation Update and possible strategies to Rebuild Ridership. The agenda also includes a report on the State of the Region, Defining World Class Transit, an update on Transit-Oriented Development Program, a Parking Program Update, as well presentations on the New Transbay Rail Crossing Project and regional funding measures, and launching of the BART Brand.

The goal of the Workshop is to provide the Board with the opportunity for ample collaboration. On Day One of the Workshop, we are preparing for a lunch session that will provide the Board with an opportunity to share their key priorities for the District in 2020 (and beyond). Please be prepared to identify and discuss your top three priorities. We are looking forward to the discussion.
